Then say:

Now you can see why I'm so excited to share this information with you.

If you're as excited as I am, I'd love to help you get started with Juice Plus+.

As you can see JP is affordable! For as little as \$1.49, \$2.38 to \$4.43 per day, you receive the wide variety of 20, 30 or even 50 Whole Foods every day.

We have simply added this to our food budget, as that's what Juice Plus+ is: Whole Food Nutrition! It's concentrated food – Like a salad bar in a capsule!

[Plus Juice Plus+ replaces the need for any multivitamins or other supplements, with the exception of Omega 3 (Fish) Oil, Vitamin D3 (which is actually a hormone our bodies produce only when exposed to sunlight) and, in some rare cases, a Calcium supplement with Magnesium and D3. Anyone who does not eat red meat may consider adding B12.]
